Polyclonal Rabbit anti-Human WWOX Antibody (Biotin, aa95-144, WB) LS-C468624 LS-C468624-100

| | |
|--------------------------|--|
| Artikelname | Polyclonal Rabbit anti-Human WWOX Antibody (Biotin, aa95-144, WB) LS-C468624 |
| Artikelnummer | LS-C468624-100 |
| Hersteller Artikelnummer | LS-C468624-100 |
| Alternativnummer | LS-C468624-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | WB |
| Spezies Reaktivität | Bovine, Equine, Guinea pig, Human, Mouse, Primate, Rat |
| Immunogen | Synthetic peptide located between aa95-144 of human WWOX (Q9NZC7-3, NP_570607). Percent identity by BLAST analysis: Human, Chimpanzee, Orangutan, Mouse, Rat, Elephant, Bovine (100%), Gibbon, Galago, Panda, Dog, Bat, Rabbit (92%), Monkey, Horse, Guinea pi |
| Konjugation | Biotin |
| Produktbeschreibung | WWOX antibody LS-C468624 is a biotin-conjugated rabbit polyclonal antibody to WWOX (aa95-144) from human. It is reactive with human, mouse, rat and other species. Validated for WB.... |
| Klonalität | Polyclonal |

| | |
|------------------------|---|
| Konzentration | 1 mg/ml |
| NCBI | 51741 |
| Puffer | PBS |
| Reinheit | Immunoaffinity purified |
| Formulierung | PBS |
| Application Verdünnung | WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
