Polyclonal Rabbit anti-Human LIPH / Lipase Member H Antibody (Biotin, aa259-308, WB) LS-C468928 LS-C468928-100

Artikelname	Polyclonal Rabbit anti-Human LIPH / Lipase Member H Antibody (Biotin, aa259-308, WB) LS-C468928
Artikelnummer	LS-C468928-100
Hersteller Artikelnummer	LS-C468928-100
Alternativnummer	LS-C468928-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Primate
Immunogen	Synthetic peptide located between aa259-308 of human LIPH (Q8WWY8, NP_640341). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Bovine (100%), Galago, Mouse, Rat, Dog, Bat, Rabbit, Pig, Guinea pig (92%), Horse, Platypus (85%), Elep
Konjugation	Biotin
Produktbeschreibung	Lipase Member H antibody LS-C468928 is a biotin-conjugated rabbit polyclonal antibody to Lipase Member H (LIPH) (aa259-308) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	200879
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
