## Product Datasheet

### **Polyclonal Rabbit anti-Human SHANK2 / SHANK Antibody (Biotin, aa1446-1495, WB) LS-C471674 LS-C471674-100**

Artikelname	Polyclonal Rabbit anti-Human SHANK2 / SHANK Antibody (Biotin, aa1446-1495, WB) LS-C471674
Artikelnummer	LS-C471674-100
Hersteller Artikelnummer	LS-C471674-100
Alternativnummer	LS-C471674-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Monkey, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa1446-1495 of human SHANK2 (Q9UPX8-4, NP_036441). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Bovine, Horse (100%), Platypus (92%), Mouse, Rat (84%).
Konjugation	Biotin
Produktbeschreibung	SHANK antibody LS-C471674 is a biotin-conjugated rabbit polyclonal antibody to SHANK (SHANK2) (aa1446-1495) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	<a href="#">22941</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
