RGMA Antibody (aa20-69, Biotin) LS-C471816, Polyclonal LS-C471816-100

Artikelname	RGMA Antibody (aa20-69, Biotin) LS-C471816, Polyclonal
Artikelnummer	LS-C471816-100
Hersteller Artikelnummer	LS-C471816-100
Alternativnummer	LS-C471816-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Guinea pig, Human, Mouse, Rat
Immunogen	Synthetic peptide located between aa20-69 of mouse Rgma (Q8C4C4). Percent identity by BLAST analysis: Human, Mouse, Rat, Guinea pig (100%), Bovine, Rabbit, Horse, Pig (92%), Dog (85%).
Konjugation	Biotin
Produktbeschreibung	RGMA antibody LS-C471816 is a biotin-conjugated rabbit polyclonal antibody to RGMA (aa20-69) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml
NCBI	56963

Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
