Polyclonal Rabbit anti-Human CCZ1 / CGI-43 Antibody (Biotin, aa364-413, WB) LS-C472714 LS-C472714-100

Artikelname	Polyclonal Rabbit anti-Human CCZ1 / CGI-43 Antibody (Biotin, aa364-413, WB) LS-C472714
Artikelnummer	LS-C472714-100
Hersteller Artikelnummer	LS-C472714-100
Alternativnummer	LS-C472714-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Monkey, Primate
Immunogen	Synthetic peptide located between aa364-413 of human CCZ1 (P86790, NP_056437). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Monkey, Marmoset, Panda, Bovine (100%), Mouse, Rat, Elephant, Horse, Opossum, Guinea pig, Lizard (92
Konjugation	Biotin
Produktbeschreibung	CGI-43 antibody LS-C472714 is a biotin-conjugated rabbit polyclonal antibody to CGI-43 (CCZ1) (aa364-413) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	51622
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
