Polyclonal Rabbit anti-Human FUZ / FY Antibody (Biotin, aa276-325, WB) LS-C472732 LS-C472732-100

Artikelname	Polyclonal Rabbit anti-Human FUZ / FY Antibody (Biotin, aa276-325, WB) LS-C472732
Artikelnummer	LS-C472732-100
Hersteller Artikelnummer	LS-C472732-100
Alternativnummer	LS-C472732-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Equine, Human, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa276-325 of human FUZ (Q9BT04, NP_001165408). Percent identity by BLAST analysis: Human, Chimpanzee, Orangutan, Gibbon, Monkey, Galago, Mouse, Rat, Dog, Horse (100%), Gorilla (93%), Marmoset, Panda, Pig, Guinea pig (92%)
Konjugation	Biotin
Produktbeschreibung	FY antibody LS-C472732 is a biotin-conjugated rabbit polyclonal antibody to FY (FUZ) (aa276-325) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	80199
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
