Polyclonal Rabbit anti-Human GPC6 / Glypican 6 Antibody (Biotin, aa36-85, WB) LS-C472779 LS-C472779-100

Artikelname	Polyclonal Rabbit anti-Human GPC6 / Glypican 6 Antibody (Biotin, aa36-85, WB) LS-C472779
Artikelnummer	LS-C472779-100
Hersteller Artikelnummer	LS-C472779-100
Alternativnummer	LS-C472779-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Human, Mouse, Primate
Immunogen	Synthetic peptide located between aa36-85 of human GPC6 (Q9Y625, NP_005699). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Mouse, Bovine (100%), Zebra finch, Chicken (92%), Guinea pig (90%), Stickleback, Medaka, Pufferfish (8
Konjugation	Biotin
Produktbeschreibung	Glypican 6 antibody LS-C472779 is a biotin-conjugated rabbit polyclonal antibody to Glypican 6 (GPC6) (aa36-85) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	10082
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
