Polyclonal Rabbit anti-Human NANS Antibody (Biotin, aa133-182, WB) LS-C473034 LS-C473034-100

Artikelname	Polyclonal Rabbit anti-Human NANS Antibody (Biotin, aa133-182, WB) LS-C473034
Artikelnummer	LS-C473034-100
Hersteller Artikelnummer	LS-C473034-100
Alternativnummer	LS-C473034-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Gallus, Guinea pig, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa133-182 of human NANS (Q9NR45, NP_061819). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Orangutan, Monkey, Galago, Marmoset, Mouse, Rat, Elephant, Panda, Dog, Bovine, Bat, Horse, Pig, Opossum, Guinea
Konjugation	Biotin
Produktbeschreibung	NANS antibody LS-C473034 is a biotin-conjugated rabbit polyclonal antibody to NANS (aa133-182) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	54187
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
