Polyclonal Rabbit anti-Human MYPOP Antibody (Biotin, aa71-120, WB) LS-C481800 LS-C481800-100

Artikelname	Polyclonal Rabbit anti-Human MYPOP Antibody (Biotin, aa71-120, WB) LS-C481800
Artikelnummer	LS-C481800-100
Hersteller Artikelnummer	LS-C481800-100
Alternativnummer	LS-C481800-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Guinea pig, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa71-120 of human MYPOP (Q86VE0, NP_001012661). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Elephant, Dog, Bovine, Pig, Opossum, Guinea pig (100%), Xenopu
Konjugation	Biotin
Produktbeschreibung	MYPOP antibody LS-C481800 is a biotin-conjugated rabbit polyclonal antibody to MYPOP (aa71-120) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	339344
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
