Polyclonal Rabbit anti-Human FACT / SSRP1 Antibody (Biotin, aa611-660, WB) LS-C481886 LS-C481886-100

Artikelname	Polyclonal Rabbit anti-Human FACT / SSRP1 Antibody (Biotin, aa611-660, WB) LS-C481886
Artikelnummer	LS-C481886-100
Hersteller Artikelnummer	LS-C481886-100
Alternativnummer	LS-C481886-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Drosophila, Guinea pig, Hamster, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa611-660 of human SSRP1 (Q08945, NP_003137). Percent identity by BLAST analysis: Human, Chimpanzee, Gibbon, Monkey, Galago, Mouse, Rat, Hamster, Elephant, Panda, Bovine, Bat, Pig, Guinea pig, Drosophila (100%), Zebrafis
Konjugation	Biotin
Produktbeschreibung	SSRP1 antibody LS-C481886 is a biotin-conjugated rabbit polyclonal antibody to SSRP1 (FACT) (aa611-660) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	6749
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
