| Immunogen                | Recombinant CASP1 (Asn120-Asp297) expressed in E. coli.                                                                                                                            |
| Konjugation              | Biotin                                                                                                                                                                             |
| Produktbeschreibung      | Caspase 1 antibody LS-C300783 is a biotin-conjugated rabbit polyclonal antibody to Caspase 1 (CASP1) (aa120-297) from pig. It is reactive with human and pig. Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                         |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                          |
| NCBI                     | <a href="#">834</a>                                                                                                                                                                |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4, 0.05% Proclin-300, 50% glycerol                                                                          |
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                |
| Formulierung           | PBS, pH 7.4, 0.05% Proclin-300, 50% glycerol                                                                          |
| Application Verdünnung | WB (1:100 - 1:400)                                                                                                    |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
