Polyclonal Rabbit anti-Mouse IDH1 / IDH Antibody (Biotin, WB) LS-C317171 LS-C317171-50

| | |
|--------------------------|---|
| Artikelname | Polyclonal Rabbit anti-Mouse IDH1 / IDH Antibody (Biotin, WB) LS-C317171 |
| Artikelnummer | LS-C317171-50 |
| Hersteller Artikelnummer | LS-C317171-50 |
| Alternativnummer | LS-C317171-50 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | ELISA, WB |
| Spezies Reaktivität | Mouse |
| Immunogen | Recombinant mouse Isocitrate dehydrogenase [NADP] cytoplasmic protein. |
| Konjugation | Biotin |
| Produktbeschreibung | IDH antibody LS-C317171 is a biotin-conjugated rabbit polyclonal antibody to mouse IDH (IDH1). Validated for ELISA and WB.... |
| Klonalität | Polyclonal |
| NCBI | 3417 |
| Puffer | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |
| Reinheit | Caprylic acid and ammonium sulfate precipitation |

| | |
|------------------------|---|
| Formulierung | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |
| Application Verdünnung | ELISA, WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
