Polyclonal Rabbit anti-Human GZMB / Granzyme B Antibody (Biotin, WB) LS-C318220 LS-C318220-100

| | |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname | Polyclonal Rabbit anti-Human GZMB / Granzyme B Antibody (Biotin, WB) LS-C318220 |
| Artikelnummer | LS-C318220-100 |
| Hersteller Artikelnummer | LS-C318220-100 |
| Alternativnummer | LS-C318220-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | ELISA, WB |
| Spezies Reaktivität | Human |
| Immunogen | Recombinant human Granzyme B protein. |
| Konjugation | Biotin |
| Produktbeschreibung | Granzyme B antibody LS-C318220 is a biotin-conjugated rabbit polyclonal antibody to human Granzyme B (GZMB). Validated for ELISA and WB.... |
| Klonalität | Polyclonal |
| NCBI | 3002 |
| Puffer | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |

| | |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Reinheit | Caprylic acid and ammonium sulfate precipitation |
| Formulierung | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |
| Application Verdünnung | ELISA, WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
