Polyclonal Rabbit anti-Rat SERPINF1 / PEDF Antibody (Biotin, aa78-121) LS-C370320 LS-C370320-100

| | |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname | Polyclonal Rabbit anti-Rat SERPINF1 / PEDF Antibody (Biotin, aa78-121) LS-C370320 |
| Artikelnummer | LS-C370320-100 |
| Hersteller Artikelnummer | LS-C370320-100 |
| Alternativnummer | LS-C370320-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | ELISA |
| Spezies Reaktivität | Rat |
| Immunogen | Recombinant rat pigment epithelium-derived factor protein (aa78-121). |
| Konjugation | Biotin |
| Produktbeschreibung | PEDF antibody LS-C370320 is a biotin-conjugated rabbit polyclonal antibody to rat PEDF (SERPINF1) (aa78-121). Validated for ELISA.... |
| Klonalität | Polyclonal |
| NCBI | 5176 |
| Puffer | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |

| | |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Reinheit | Caprylic acid and ammonium sulfate precipitation |
| Formulierung | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. |
| Application Verdünnung | ELISA |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
