## Product Datasheet

### **Polyclonal Rabbit anti-Canine Distemper Virus Canine Distemper Virus Fusion Glycoprotein F0 Antibody (Biotin, aa136-608, WB) LS-C370890 LS-C370890-100**

Artikelname	Polyclonal Rabbit anti-Canine Distemper Virus Canine Distemper Virus Fusion Glycoprotein F0 Antibody (Biotin, aa136-608, WB) LS-C370890
Artikelnummer	LS-C370890-100
Hersteller Artikelnummer	LS-C370890-100
Alternativnummer	LS-C370890-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	ELISA, WB
Spezies Reaktivität	Virus
Immunogen	Recombinant Canine distemper virus Fusion glycoprotein F0 protein (aa136-608).
Konjugation	Biotin
Produktbeschreibung	Canine Distemper Virus Fusion Glycoprotein F0 antibody LS-C370890 is a biotin-conjugated rabbit polyclonal antibody to canine distemper virus Canine Distemper Virus Fusion Glycoprotein F0 (aa136-608). Validated for ELISA and WB....
Klonalität	Polyclonal
Puffer	PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.

Reinheit	Caprylic acid and ammonium sulfate precipitation
Formulierung	PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.
Application Verdünnung	ELISA, WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
