| Alternativnummer         | LS-C371953-50                                                                                                                 |
| Hersteller               | LifeSpan Biosciences                                                                                                          |
| Wirt                     | Rabbit                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                    |
| Applikation              | ELISA                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                         |
| Immunogen                | Recombinant human Tektin-5 protein (aa1-485).                                                                                 |
| Konjugation              | Biotin                                                                                                                        |
| Produktbeschreibung      | TEKT5 antibody LS-C371953 is a biotin-conjugated rabbit polyclonal antibody to human TEKT5 (aa1-485). Validated for ELISA.... |
| Klonalität               | Polyclonal                                                                                                                    |
| NCBI                     | <a href="#">146279</a>                                                                                                        |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                 |
| Reinheit                 | Caprylic acid and ammonium sulfate precipitation                                                                              |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Formulierung           | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |
| Application Verdünnung | ELISA                                                                                                                 |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
