| Spezies Reaktivität      | Bovine                                                                                                                                                                               |
| Immunogen                | Purified TG                                                                                                                                                                          |
| Konjugation              | Unconjugated                                                                                                                                                                         |
| Produktbeschreibung      | Thyroglobulin antibody LS-C373955 is an unconjugated rabbit polyclonal antibody to Thyroglobulin (TG) from cow. It is reactive with bovine and cow. Validated for ICC, IP and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                           |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                            |
| NCBI                     | <a href="#">7038</a>                                                                                                                                                                 |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                        |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | ICC, IP, WB (1:50 - 1:400)                                                             |
| Anwendungsbeschreibung | ELISA 1:100-1:5000, ICC 1:50-500, WB 1:50-400,                                         |
