| Alternativnummer         | LS-C378505-100                                                                                                        |
| Hersteller               | LifeSpan Biosciences                                                                                                  |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                 |
| Immunogen                | Recombinant human Uncharacterized protein C7orf33 protein.                                                            |
| Konjugation              | HRP                                                                                                                   |
| Produktbeschreibung      | C7orf33 antibody LS-C378505 is an HRP-conjugated rabbit polyclonal antibody to human C7orf33. Validated for ELISA.... |
| Klonalität               | Polyclonal                                                                                                            |
| NCBI                     | <a href="#">202865</a>                                                                                                |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |
| Reinheit                 | Protein G purified                                                                                                    |
| Formulierung             | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |

|                        |                                                                                                                                                                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA                                                                                                                                                                                                                                                   |
| Anwendungsbeschreibung | <p>The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.</p> |
