| Hersteller               | LifeSpan Biosciences                                                                                                       |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | ELISA, IHC                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                      |
| Immunogen                | Recombinant human Sec1 family domain-containing protein 2 protein.                                                         |
| Konjugation              | FITC                                                                                                                       |
| Produktbeschreibung      | SCFD2 antibody LS-C378522 is an FITC-conjugated rabbit polyclonal antibody to human SCFD2. Validated for ELISA and IHC.... |
| Klonalität               | Polyclonal                                                                                                                 |
| NCBI                     | <a href="#">152579</a>                                                                                                     |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                              |
| Reinheit                 | Protein G purified                                                                                                         |

|                        |                                                                                                                                                                                                                                                  |
