| Alternativnummer         | LS-C378535-100                                                                                                        |
| Hersteller               | LifeSpan Biosciences                                                                                                  |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | ELISA                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                 |
| Immunogen                | Recombinant human Ankyrin repeat domain-containing protein 7 protein.                                                 |
| Konjugation              | Biotin                                                                                                                |
| Produktbeschreibung      | ANKRD7 antibody LS-C378535 is a biotin-conjugated rabbit polyclonal antibody to human ANKRD7. Validated for ELISA.... |
| Klonalität               | Polyclonal                                                                                                            |
| NCBI                     | <a href="#">56311</a>                                                                                                 |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |
| Reinheit                 | Protein G purified                                                                                                    |
| Formulierung             | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                         |

|                        |                                                                                                                                                                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA                                                                                                                                                                                                                                                   |
| Anwendungsbeschreibung | <p>The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.</p> |
