| Hersteller               | LifeSpan Biosciences                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                     |
| Immunogen                | Recombinant human Cell differentiation protein RCD1 homolog protein.                                                                                                             |
| Konjugation              | Biotin                                                                                                                                                                           |
| Produktbeschreibung      | RQCD1 antibody LS-C378536 is a biotin-conjugated rabbit polyclonal antibody to RQCD1 (RCD1) from human. It is reactive with human and mouse. Validated for ELISA, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                       |
| NCBI                     | <a href="#">9125</a>                                                                                                                                                             |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                    |

|                        |                                                                                                                                                                                                                                                  |
