| Alternativnummer         | LS-C378772-50                                                                                                                             |
| Hersteller               | LifeSpan Biosciences                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                |
| Applikation              | ELISA                                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                                     |
| Immunogen                | Recombinant human Coiled-coil domain-containing protein 82 protein.                                                                       |
| Konjugation              | FITC                                                                                                                                      |
| Produktbeschreibung      | CCDC82 antibody LS-C378772 is an FITC-conjugated rabbit polyclonal antibody to human CCDC82 (Coiled-coil domain). Validated for ELISA.... |
| Klonalität               | Polyclonal                                                                                                                                |
| NCBI                     | <a href="#">79780</a>                                                                                                                     |
| Puffer                   | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                             |

|                        |                                                                                                                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Protein G purified                                                                                                                                                                                                                               |
| Formulierung           | PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                                                                                    |
| Application Verdünnung | ELISA                                                                                                                                                                                                                                            |
| Anwendungsbeschreibung | The applications listed above are for the unconjugated form of this antibody. The conjugated antibody has not been tested. The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
