## Product Datasheet

### **Polyclonal Rabbit anti-Mouse HES6 Antibody (Biotin, aa51-100, WB) LS-C428714** **LS-C428714-100**

Artikelname	Polyclonal Rabbit anti-Mouse HES6 Antibody (Biotin, aa51-100, WB) LS-C428714
Artikelnummer	LS-C428714-100
Hersteller Artikelnummer	LS-C428714-100
Alternativnummer	LS-C428714-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Guinea pig, Human, Monkey, Mouse, Porcine, Primate, Rat
Immunogen	Synthetic peptide located between aa51-100 of mouse Hes6 (Q9JHE6, NP_062352). Percent identity by BLAST analysis: Human, Orangutan, Monkey, Galago, Mouse, Rat, Dog, Bovine, Pig, Guinea pig (100%), Opossum, Platypus, Lizard, Zebrafish (91%), Xenopus, Catf
Konjugation	Biotin
Produktbeschreibung	HES6 antibody LS-C428714 is a biotin-conjugated rabbit polyclonal antibody to HES6 (aa51-100) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	<a href="#">55502</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
