Polyclonal Rabbit anti-Mouse CCL5 / RANTES Antibody (Biotin, aa26-75, WB) LS-C435272 LS-C435272-100

Artikelname	Polyclonal Rabbit anti-Mouse CCL5 / RANTES Antibody (Biotin, aa26-75, WB) LS-C435272
Artikelnummer	LS-C435272-100
Hersteller Artikelnummer	LS-C435272-100
Alternativnummer	LS-C435272-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Guinea pig, Hamster, Human, Mouse, Porcine, Rat
Immunogen	Synthetic peptide located between aa26-75 of mouse CCL5 (P30882, NP_038681). Percent identity by BLAST analysis: Mouse, Rat, Hamster, Turkey (100%), Elephant (91%), Monkey, Dog, Zebra finch, Chicken (90%), Human, Gibbon, Galago, Marmoset, Bovine, Bat, Ra
Konjugation	Biotin
Produktbeschreibung	RANTES antibody LS-C435272 is a biotin-conjugated rabbit polyclonal antibody to RANTES (CCL5) (aa26-75) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	6352
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
