Polyclonal Rabbit anti-Mouse ATP6V0A1 Antibody (Biotin, aa671-720, WB) LS-C435322 LS-C435322-100

Artikelname	Polyclonal Rabbit anti-Mouse ATP6V0A1 Antibody (Biotin, aa671-720, WB) LS-C435322
Artikelnummer	LS-C435322-100
Hersteller Artikelnummer	LS-C435322-100
Alternativnummer	LS-C435322-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Human, Mouse, Porcine, Rat
Immunogen	Synthetic peptide located between aa671-720 of mouse Atp6v0a1 (NP_058616). Percent identity by BLAST analysis: Mouse, Rat, Elephant, Panda, Dog, Bovine, Pig (100%), Gorilla, Orangutan, Monkey, Marmoset, Rabbit, Horse (92%), Human, Turkey, Zebra finch, Ch
Konjugation	Biotin
Produktbeschreibung	ATP6V0A1 antibody LS-C435322 is a biotin-conjugated rabbit polyclonal antibody to ATP6V0A1 (aa671-720) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	535
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
