Polyclonal Rabbit anti-Mouse MPND Antibody (Biotin, aa172-221, WB) LS-C435475 LS-C435475-100

Artikelname	Polyclonal Rabbit anti-Mouse MPND Antibody (Biotin, aa172-221, WB) LS-C435475
Artikelnummer	LS-C435475-100
Hersteller Artikelnummer	LS-C435475-100
Alternativnummer	LS-C435475-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Mouse, Rat
Immunogen	Synthetic peptide located between aa172-221 of mouse Mpnd (Q8VEN1, NP_080806). Percent identity by BLAST analysis: Mouse, Rat (100%), Elephant (84%).
Konjugation	Biotin
Produktbeschreibung	MPND antibody LS-C435475 is a biotin-conjugated rabbit polyclonal antibody to MPND (aa172-221) from mouse. It is reactive with mouse and rat. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	84954
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
