Polyclonal Rabbit anti-Mouse SKOR1 Antibody (Biotin, aa801-850, WB) LS-C435670 LS-C435670-100

Artikelname	Polyclonal Rabbit anti-Mouse SKOR1 Antibody (Biotin, aa801-850, WB) LS-C435670
Artikelnummer	LS-C435670-100
Hersteller Artikelnummer	LS-C435670-100
Alternativnummer	LS-C435670-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Mouse, Rat
Immunogen	Synthetic peptide located between aa801-850 of mouse Skor1 (Q8BX46, NP_766034). Percent identity by BLAST analysis: Mouse, Rat (100%), Elephant, Panda, Dog, Bovine, Horse, Pig, Guinea pig (92%), Human, Gorilla, Gibbon, Monkey, Galago, Marmoset, Rabbit, O
Konjugation	Biotin
Produktbeschreibung	SKOR1 antibody LS-C435670 is a biotin-conjugated rabbit polyclonal antibody to SKOR1 (aa801-850) from mouse. It is reactive with mouse and rat. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	390598
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
