Polyclonal Rabbit anti-Mouse Radil Antibody (Biotin, aa618-667, WB) LS-C435741 LS-C435741-100

Artikelname	Polyclonal Rabbit anti-Mouse Radil Antibody (Biotin, aa618-667, WB) LS-C435741
Artikelnummer	LS-C435741-100
Hersteller Artikelnummer	LS-C435741-100
Alternativnummer	LS-C435741-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Hamster, Human, Mouse, Rat
Immunogen	Synthetic peptide located between aa618-667 of mouse Radil (Q69Z89-3). Percent identity by BLAST analysis: Mouse, Rat, Hamster (100%), Guinea pig (92%).
Konjugation	Biotin
Produktbeschreibung	Radil antibody LS-C435741 is a biotin-conjugated rabbit polyclonal antibody to Radil (aa618-667) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	231858
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
