## Product Datasheet

### **Polyclonal Rabbit anti-Mouse Duxbl Antibody (Biotin, aa221-270, WB) LS-C435805 LS-C435805-100**

|                          |  |
|--------------------------|--|
| Artikelname              | Polyclonal Rabbit anti-Mouse Duxbl Antibody (Biotin, aa221-270, WB) LS-C435805   |
| Artikelnummer            | LS-C435805-100   |
| Hersteller Artikelnummer | LS-C435805-100   |
| Alternativnummer         | LS-C435805-100   |
| Hersteller               | LifeSpan Biosciences   |
| Wirt                     | Rabbit   |
| Kategorie                | Antikörper   |
| Applikation              | WB   |
| Spezies Reaktivität      | Mouse  |
| Immunogen                | Synthetic peptide located between aa221-270 of mouse Duxbl1 (Q7TNE6, NP_899245). Percent identity by BLAST analysis: Mouse (100%). |
| Konjugation              | Biotin   |
| Produktbeschreibung      | Duxbl antibody LS-C435805 is a biotin-conjugated rabbit polyclonal antibody to mouse Duxbl (aa221-270). Validated for WB....       |
| Klonalität               | Polyclonal   |
| Konzentration            | 1 mg/ml  |
| NCBI                     | <a href="#">306226</a>   |

|                        |   |
|------------------------|---|
| Puffer                 | PBS   |
| Reinheit               | Immunoaffinity purified   |
| Formulierung           | PBS   |
| Application Verdünnung | WB  |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
