Polyclonal Rabbit anti-Mouse MAFA Antibody (Biotin, aa81-130, WB) LS-C435826 LS-C435826-100

Artikelname	Polyclonal Rabbit anti-Mouse MAFA Antibody (Biotin, aa81-130, WB) LS-C435826
Artikelnummer	LS-C435826-100
Hersteller Artikelnummer	LS-C435826-100
Alternativnummer	LS-C435826-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Mouse, Rat
Immunogen	Synthetic peptide located between aa81-130 of mouse Mafa (Q8CF90, NP_919331). Percent identity by BLAST analysis: Mouse, Rat (100%).
Konjugation	Biotin
Produktbeschreibung	MAFA antibody LS-C435826 is a biotin-conjugated rabbit polyclonal antibody to MAFA (aa81-130) from mouse. It is reactive with mouse and rat. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	389692
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
