Polyclonal Rabbit anti-Mouse HFH-4 / FOXJ1 Antibody (Biotin, aa201-250, WB) LS-C436143 LS-C436143-100

Artikelname	Polyclonal Rabbit anti-Mouse HFH-4 / FOXJ1 Antibody (Biotin, aa201-250, WB) LS-C436143
Artikelnummer	LS-C436143-100
Hersteller Artikelnummer	LS-C436143-100
Alternativnummer	LS-C436143-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Hamster, Mouse, Rabbit
Immunogen	Synthetic peptide located between aa201-250 of mouse Foxj1 (Q3US42, NP_032266). Percent identity by BLAST analysis: Mouse, Hamster, Panda, Dog, Rabbit (100%), Human, Gorilla, Gibbon, Monkey, Galago, Marmoset, Rat, Elephant, Bovine, Bat, Horse, Pig, Guine
Konjugation	Biotin
Produktbeschreibung	FOXJ1 antibody LS-C436143 is a biotin-conjugated rabbit polyclonal antibody to FOXJ1 (HFH-4) (aa201-250) from mouse. It is reactive with mouse, dog, hamster and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	2302
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
