## Product Datasheet

### **Polyclonal Rabbit anti-Mouse SPI1 / PU.1 Antibody (Biotin, aa61-110, WB) LS-C436182 LS-C436182-100**

Artikelname	Polyclonal Rabbit anti-Mouse SPI1 / PU.1 Antibody (Biotin, aa61-110, WB) LS-C436182
Artikelnummer	LS-C436182-100
Hersteller Artikelnummer	LS-C436182-100
Alternativnummer	LS-C436182-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Mouse
Immunogen	Synthetic peptide located between aa61-110 of mouse Spi1 (P17433, NP_035485). Percent identity by BLAST analysis: Mouse, Opossum (100%), Galago, Rat, Bovine (92%), Elephant, Panda, Dog, Rabbit, Horse, Pig, Guinea pig, Zebrafish (85%), Human (78%).
Konjugation	Biotin
Produktbeschreibung	PU.1 antibody LS-C436182 is a biotin-conjugated rabbit polyclonal antibody to mouse PU.1 (SPI1) (aa61-110). Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	<a href="#">6688</a>
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
