Polyclonal Rabbit anti-Mouse TBX18 Antibody (Biotin, aa451-500, WB) LS-C436202 LS-C436202-100

Artikelname	Polyclonal Rabbit anti-Mouse TBX18 Antibody (Biotin, aa451-500, WB) LS-C436202
Artikelnummer	LS-C436202-100
Hersteller Artikelnummer	LS-C436202-100
Alternativnummer	LS-C436202-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Guinea pig, Mouse, Rat
Immunogen	Synthetic peptide located between aa451-500 of mouse Tbx18 (Q9EPZ6, NP_076303). Percent identity by BLAST analysis: Mouse, Rat (100%), Human, Chimpanzee, Orangutan, Gibbon, Monkey, Marmoset, Elephant, Bovine, Bat, Rabbit, Horse, Pig, Opossum, Turkey, Zeb
Konjugation	Biotin
Produktbeschreibung	TBX18 antibody LS-C436202 is a biotin-conjugated rabbit polyclonal antibody to TBX18 (aa451-500) from mouse. It is reactive with mouse, rat, dog and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	9096
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
