Polyclonal Rabbit anti-Human JUNB / JUN-B Antibody (Biotin, aa20-69, WB) LS-C436513 LS-C436513-100

Artikelname	Polyclonal Rabbit anti-Human JUNB / JUN-B Antibody (Biotin, aa20-69, WB) LS-C436513
Artikelnummer	LS-C436513-100
Hersteller Artikelnummer	LS-C436513-100
Alternativnummer	LS-C436513-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Canine, Equine, Human, Monkey, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa20-69 of human JUNB (P17275, NP_002220). Percent identity by BLAST analysis: Human, Chimpanzee, Monkey, Galago, Dog, Bat, Horse (100%), Elephant, Bovine, Guinea pig (92%), Mouse, Rat (85%).
Konjugation	Biotin
Produktbeschreibung	JUN-B antibody LS-C436513 is a biotin-conjugated rabbit polyclonal antibody to JUN-B (JUNB) (aa20-69) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	3726
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
