Polyclonal Rabbit anti-Human RLF Antibody (Biotin, aa20-69, WB) LS-C437895 LS-C437895-100

Artikelname	Polyclonal Rabbit anti-Human RLF Antibody (Biotin, aa20-69, WB) LS-C437895
Artikelnummer	LS-C437895-100
Hersteller Artikelnummer	LS-C437895-100
Alternativnummer	LS-C437895-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Guinea pig, Human, Porcine, Primate
Immunogen	Synthetic peptide located between aa20-69 of human RLF (Q13129, NP_036553). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla (100%), Orangutan, Marmoset, Bovine, Pig (85%), Dog (84%).
Konjugation	Biotin
Produktbeschreibung	RLF antibody LS-C437895 is a biotin-conjugated rabbit polyclonal antibody to RLF (aa20-69) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	6018
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
