Polyclonal Rabbit anti-Human NEUROG2 / NGN2 / Neurogenin 2 Antibody (Biotin, aa35-84, WB) LS-C438859 LS-C438859-100

Artikelname	Polyclonal Rabbit anti-Human NEUROG2 / NGN2 / Neurogenin 2 Antibody (Biotin, aa35-84, WB) LS-C438859
Artikelnummer	LS-C438859-100
Hersteller Artikelnummer	LS-C438859-100
Alternativnummer	LS-C438859-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Human, Monkey, Primate
Immunogen	Synthetic peptide located between aa35-84 of human NEUROG2 (Q9H2A3, NP_076924). Percent identity by BLAST analysis: Human, Chimpanzee, Monkey (100%), Gorilla, Gibbon (92%), Dog, Bovine, Rabbit (85%).
Konjugation	Biotin
Produktbeschreibung	Neurogenin 2 antibody LS-C438859 is a biotin-conjugated rabbit polyclonal antibody to Neurogenin 2 (NEUROG2 / NGN2) (aa35-84) from human. It is reactive with human, bovine, chimpanzee and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	63973
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
