Polyclonal Rabbit anti-Human ACP5 / TRAP Antibody (Biotin, aa71-120, WB) LS-C442243 LS-C442243-100

Artikelname	Polyclonal Rabbit anti-Human ACP5 / TRAP Antibody (Biotin, aa71-120, WB) LS-C442243
Artikelnummer	LS-C442243-100
Hersteller Artikelnummer	LS-C442243-100
Alternativnummer	LS-C442243-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bat, Bovine, Canine, Equine, Hamster, Human, Monkey, Mouse, Porcine, Primate, Rat, Sheep
Immunogen	Synthetic peptide located between aa71-120 of human ACP5 (P13686, NP_001602). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Sheep, Hamster, Elephant, Panda, Dog, Bovine, Bat, Horse, Pig, Opossum, Platyp
Konjugation	Biotin
Produktbeschreibung	TRAP antibody LS-C442243 is a biotin-conjugated rabbit polyclonal antibody to TRAP (ACP5) (aa71-120) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	54
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
