Polyclonal Rabbit anti-Human GHRHR Antibody (Biotin, aa107-156, WB) LS-C442780 LS-C442780-100

Artikelname	Polyclonal Rabbit anti-Human GHRHR Antibody (Biotin, aa107-156, WB) LS-C442780
Artikelnummer	LS-C442780-100
Hersteller Artikelnummer	LS-C442780-100
Alternativnummer	LS-C442780-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Human, Monkey, Mouse, Porcine, Primate, Rat, Sheep
Immunogen	Synthetic peptide located between aa107-156 of human GHRHR. Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey (100%), Elephant, Rabbit (92%), Marmoset, Rat, Panda, Dog, Bat, Horse (85%), Mouse (78%).
Konjugation	Biotin
Produktbeschreibung	GHRHR antibody LS-C442780 is a biotin-conjugated rabbit polyclonal antibody to GHRHR (aa107-156) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	2692
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
