Polyclonal Rabbit anti-Mouse Dermatopontin / DPT Antibody (Biotin, aa45-94, WB) LS-C443072 LS-C443072-100

Artikelname	Polyclonal Rabbit anti-Mouse Dermatopontin / DPT Antibody (Biotin, aa45-94, WB) LS-C443072
Artikelnummer	LS-C443072-100
Hersteller Artikelnummer	LS-C443072-100
Alternativnummer	LS-C443072-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Hamster, Human, Monkey, Mouse, Primate
Immunogen	Synthetic peptide located between aa45-94 of mouse Dpt (Q9QZZ6, NP_062733). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Marmoset, Mouse, Hamster, Elephant, Opossum, Platypus (100%), Galago, Rat, Panda, Dog, Bovine, Rabbit, Horse,
Konjugation	Biotin
Produktbeschreibung	DPT antibody LS-C443072 is a biotin-conjugated rabbit polyclonal antibody to DPT (Dermatopontin) (aa45-94) from mouse. It is reactive with human, mouse, gibbon and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	1805
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
