Polyclonal Rabbit anti-Human GCG / Glucagon Antibody (Biotin, aa107-156, WB) LS-C443084 LS-C443084-100

Artikelname	Polyclonal Rabbit anti-Human GCG / Glucagon Antibody (Biotin, aa107-156, WB) LS-C443084
Artikelnummer	LS-C443084-100
Hersteller Artikelnummer	LS-C443084-100
Alternativnummer	LS-C443084-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Canine, Guinea pig, Hamster, Human, Monkey, Mouse, Primate, Rat
Immunogen	Synthetic peptide located between aa107-156 of human GCG (P01275, NP_002045). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Galago, Marmoset, Mouse, Rat, Hamster, Dog, Opossum, Guinea pig (100%), Sheep, Elephant, Bovine,
Konjugation	Biotin
Produktbeschreibung	Glucagon antibody LS-C443084 is a biotin-conjugated rabbit polyclonal antibody to Glucagon (GCG) (aa107-156) from human. It is reactive with human, mouse, rat and other species. Validated for WB....
Klonalität	Polyclonal

Konzentration	1 mg/ml
NCBI	2641
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
