Polyclonal Rabbit anti-Human PRF1 / Perforin Antibody (Biotin, aa146-195, WB) LS-C443359 LS-C443359-100

Artikelname	Polyclonal Rabbit anti-Human PRF1 / Perforin Antibody (Biotin, aa146-195, WB) LS-C443359
Artikelnummer	LS-C443359-100
Hersteller Artikelnummer	LS-C443359-100
Alternativnummer	LS-C443359-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Equine, Human, Porcine, Primate
Immunogen	Synthetic peptide located between aa146-195 of human PRF1 (P14222, NP_005032). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey (100%), Marmoset, Dog, Bat, Rabbit (92%), Cat, Horse, Pig (84%).
Konjugation	Biotin
Produktbeschreibung	Perforin antibody LS-C443359 is a biotin-conjugated rabbit polyclonal antibody to Perforin (PRF1) (aa146-195) from human. It is reactive with human, bovine, gibbon and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	5551
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
