## Product Datasheet

### **Polyclonal Rabbit anti-Human RNF19A / DORFIN Antibody (Biotin, aa108-157, WB) LS-C444805 LS-C444805-100**

Artikelname	Polyclonal Rabbit anti-Human RNF19A / DORFIN Antibody (Biotin, aa108-157, WB) LS-C444805
Artikelnummer	LS-C444805-100
Hersteller Artikelnummer	LS-C444805-100
Alternativnummer	LS-C444805-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Equine, Human, Monkey, Mouse, Porcine, Primate
Immunogen	Synthetic peptide located between aa108-157 of human RNF19A (Q9NV58, NP_056250). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Monkey, Marmoset, Mouse, Elephant, Panda, Dog, Bovine, Horse, Pig (100%), Gibbon, Galago, Rat, Bat, Rabbit, G
Konjugation	Biotin
Produktbeschreibung	DORFIN antibody LS-C444805 is a biotin-conjugated rabbit polyclonal antibody to DORFIN (RNF19A) (aa108-157) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	<a href="#">25897</a>
Puffer	PBS
Reinheit	Immunoaffinity purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
