Polyclonal Rabbit anti-Human CCN3 / NOV Antibody (Biotin, aa231-280, WB) LS-C445399 LS-C445399-100

Artikelname	Polyclonal Rabbit anti-Human CCN3 / NOV Antibody (Biotin, aa231-280, WB) LS-C445399
Artikelnummer	LS-C445399-100
Hersteller Artikelnummer	LS-C445399-100
Alternativnummer	LS-C445399-100
Hersteller	LifeSpan Biosciences
Wirt	Rabbit
Kategorie	Antikörper
Applikation	WB
Spezies Reaktivität	Bovine, Canine, Guinea pig, Human, Monkey, Mouse, Primate, Rabbit
Immunogen	Synthetic peptide located between aa231-280 of human NOV (P48745, NP_002505). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Marmoset, Rabbit (100%), Mouse, Bat, Horse (85%).
Konjugation	Biotin
Produktbeschreibung	NOV antibody LS-C445399 is a biotin-conjugated rabbit polyclonal antibody to NOV (CCN3) (aa231-280) from human. It is reactive with human, mouse, bovine and other species. Validated for WB....
Klonalität	Polyclonal
Konzentration	1 mg/ml

NCBI	4856
Puffer	PBS
Reinheit	Protein A purified
Formulierung	PBS
Application Verdünnung	WB
Anwendungsbeschreibung	The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested.
