Polyclonal Rabbit anti-Mouse ABCC12 / MRP9 Antibody (Biotin, aa561-610, WB) LS-C445508 LS-C445508-100

| | |
|--------------------------|--|
| Artikelname | Polyclonal Rabbit anti-Mouse ABCC12 / MRP9 Antibody (Biotin, aa561-610, WB) LS-C445508 |
| Artikelnummer | LS-C445508-100 |
| Hersteller Artikelnummer | LS-C445508-100 |
| Alternativnummer | LS-C445508-100 |
| Hersteller | LifeSpan Biosciences |
| Wirt | Rabbit |
| Kategorie | Antikörper |
| Applikation | WB |
| Spezies Reaktivität | Bovine, Canine, Equine, Human, Mouse, Primate, Rat |
| Immunogen | Synthetic peptide located between aa561-610 of mouse Abcc12 (Q80WJ6, NP_766500). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Mouse, Rat, Elephant, Dog, Bovine, Horse (100%), Bat, Rabbit, Guinea pig (92%), Galago (85%), Beetle (83%), Droso |
| Konjugation | Biotin |
| Produktbeschreibung | MRP9 antibody LS-C445508 is a biotin-conjugated rabbit polyclonal antibody to MRP9 (ABCC12) (aa561-610) from mouse. It is reactive with human, mouse, rat and other species. Validated for WB.... |
| Klonalität | Polyclonal |
| Konzentration | 1 mg/ml |

| | |
|------------------------|---|
| NCBI | 94160 |
| Puffer | PBS |
| Reinheit | Immunoaffinity purified |
| Formulierung | PBS |
| Application Verdünnung | WB |
| Anwendungsbeschreibung | The applications listed have been tested for the unconjugated form of this product. Other forms have not been tested. |
