| Alternativnummer         | LS-B16072-50                                                                                                                                                                                     |
| Hersteller               | LifeSpan Biosciences                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Applikation              | IHC, IHC-P, WB                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                |
| Immunogen                | KLH-conjugated synthetic peptide encompassing a sequence within the N-Terminus of human E Cadherin.                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                     |
| Produktbeschreibung      | E Cadherin antibody LS-B16072 is an unconjugated rabbit polyclonal antibody to E Cadherin (CDH1) (N-Terminus) from human. It is reactive with human, mouse and rat. Validated for IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| Konzentration            | 1 mg/ml                                                                                                                                                                                          |
| NCBI                     | <a href="#">999</a>                                                                                                                                                                              |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Puffer                 | PBS, pH 7.3, 0.01% Sodium Azide, 30% Glycerol |
| Reinheit               | Immunoaffinity purified                       |
| Formulierung           | PBS, pH 7.3, 0.01% Sodium Azide, 30% Glycerol |
| Application Verdünnung | IHC, IHC-P (1:100), WB (1:500 - 1:1000)       |
| Anwendungsbeschreibung | IHC, IHC-P (1:100), WB (1:500 - 1:1000)       |
