| Hersteller               | LifeSpan Biosciences                                                                                                                                                                                                          |
| Wirt                     | Goat                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                    |
| Applikation              | IF, IHC, IHC-Fr, IHC-P, WB                                                                                                                                                                                                    |
| Spezies Reaktivität      | Canine, Human, Monkey, Mouse, Rat                                                                                                                                                                                             |
| Immunogen                | Purified recombinant peptide derived from within residues 1580 aa to the C-Terminus of human ZO-1 produced in E. coli.                                                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                                                                                  |
| Produktbeschreibung      | ZO-1 antibody LS-B9774 is an unconjugated goat polyclonal antibody to ZO-1 (TJP1) (C-Terminus) from human. It is reactive with human, mouse, rat and other species. Validated for IF, IHC and WB. Cited in 3 publications.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                    |
| Konzentration            | 3 mg/ml                                                                                                                                                                                                                       |

|                        |                                                                                          |
