## Product Datasheet

### **Monoclonal Mouse anti-Human CSE1L Antibody (clone 2C10, IF, WB) LS-C104925** **LS-C104925-100**

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Mouse anti-Human CSE1L Antibody (clone 2C10, IF, WB) LS-C104925                                                |
| Artikelnummer            | LS-C104925-100                                                                                                            |
| Hersteller Artikelnummer | LS-C104925-100                                                                                                            |
| Alternativnummer         | LS-C104925-100                                                                                                            |
| Hersteller               | LifeSpan Biosciences                                                                                                      |
| Wirt                     | Mouse                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ELISA, IF, WB                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | CSE1L (NP_001307, 872 aa ~ 972 aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.           |
| Konjugation              | Unconjugated                                                                                                              |
| Produktbeschreibung      | CSE1L antibody LS-C104925 is an unconjugated mouse monoclonal antibody to human CSE1L. Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                |
| Klon-Bezeichnung         | [2C10]                                                                                                                    |
| NCBI                     | <a href="#">1434</a>                                                                                                      |

|                        |                                                                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4                                                                                                                                                   |
| Reinheit               | Purified from ascites by Protein A                                                                                                                            |
| Formulierung           | PBS, pH 7.4                                                                                                                                                   |
| Application Verdünnung | ELISA, IF (10 µg/ml), WB                                                                                                                                      |
| Anwendungsbeschreibung | Western Blot (Cell lysate) - positive control MCF-7.<br>Immunofluorescence (10 ug/ml) - positive control HeLa cells.<br>Sandwich ELISA (Recombinant protein). |
