| Artikelname              | Monoclonal Mouse anti-Human DOCK4 Antibody (clone 3E7, IF, WB) LS-C105088                                                 |
| Artikelnummer            | LS-C105088-100                                                                                                            |
| Hersteller Artikelnummer | LS-C105088-100                                                                                                            |
| Alternativnummer         | LS-C105088-100                                                                                                            |
| Hersteller               | LifeSpan Biosciences                                                                                                      |
| Wirt                     | Mouse                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ELISA, IF, WB                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | DOCK4 (NP_055520, 1867 aa ~ 1967 aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.         |
| Konjugation              | Unconjugated                                                                                                              |
| Produktbeschreibung      | DOCK4 antibody LS-C105088 is an unconjugated mouse monoclonal antibody to human DOCK4. Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                |
| Konzentration            | 0.26 mg/ml                                                                                                                |
| Klon-Bezeichnung         | [3E7]                                                                                                                     |

|                        |                                                                                                                                                                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">9732</a>                                                                                                                                                                                                                                                                       |
| Puffer                 | PBS, pH 7.4                                                                                                                                                                                                                                                                                |
| Reinheit               | Purified from ascites by Protein A                                                                                                                                                                                                                                                         |
| Formulierung           | PBS, pH 7.4                                                                                                                                                                                                                                                                                |
| Application Verdünnung | ELISA, IF (10 µg/ml), WB                                                                                                                                                                                                                                                                   |
| Anwendungsbeschreibung | <p>Western Blot (Cell lysate) - positive control Hela NE.</p> <p>Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections, 3 ug/ml) - positive control human breast cancer.</p> <p>Immunofluorescence (10 ug/ml) - positive control HeLa cells.</p> <p>Sandwich ELISA (Reco</p> |
