### Monoclonal Mouse anti-Human ZIC4 Antibody (clone 3D5, IF, WB) LS-C105186 LS-C105186-100

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Mouse anti-Human ZIC4 Antibody (clone 3D5, IF, WB) LS-C105186                                                |
| Artikelnummer            | LS-C105186-100                                                                                                          |
| Hersteller Artikelnummer | LS-C105186-100                                                                                                          |
| Alternativnummer         | LS-C105186-100                                                                                                          |
| Hersteller               | LifeSpan Biosciences                                                                                                    |
| Wirt                     | Mouse                                                                                                                   |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | ELISA, IF, WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                   |
| Immunogen                | ZIC4 (NP_115529, 249 aa ~ 320 aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.          |
| Konjugation              | Unconjugated                                                                                                            |
| Produktbeschreibung      | ZIC4 antibody LS-C105186 is an unconjugated mouse monoclonal antibody to human ZIC4. Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                              |
| Klon-Bezeichnung         | [3D5]                                                                                                                   |
| NCBI                     | <a href="#">84107</a>                                                                                                   |

|                        |                                                                                                                                                                                                                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4                                                                                                                                                                                                                                                                                |
| Reinheit               | Purified from ascites by Protein A                                                                                                                                                                                                                                                         |
| Formulierung           | PBS, pH 7.4                                                                                                                                                                                                                                                                                |
| Application Verdünnung | ELISA, IF (7 µg/ml), WB                                                                                                                                                                                                                                                                    |
| Anwendungsbeschreibung | <p>Western Blot (Cell lysate) - positive control Hela NE.</p> <p>Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections, 3 ug/ml) - positive control human placenta.</p> <p>Immunofluorescence (7 ug/ml) - positive control HeLa cells.</p> <p>Sandwich ELISA (Recombinan</p> |
