| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide located between aa719-768 of human TRPV4 (Q9HBA0-2, NP_671737). Percent identity by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Marmoset, Rabbit, Opossum (100%), Galago, Bovine, Bat, Pig (92%), Mouse, Dog, Guinea pig, Turkey, Chicke |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                   |
| Produktbeschreibung      | TRPV4 antibody LS-C110020 is an unconjugated rabbit polyclonal antibody to TRPV4 (aa719-768) from human. It is reactive with human and rat. Validated for WB....                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                     |

|                        |                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Konzentration          | 0.5 mg/ml                                                                                                                                                                    |
| NCBI                   | <a href="#">59341</a>                                                                                                                                                        |
| Puffer                 | PBS, 0.09% sodium azide, 2% sucrose                                                                                                                                          |
| Reinheit               | Immunoaffinity purified                                                                                                                                                      |
| Formulierung           | PBS, 0.09% sodium azide, 2% sucrose                                                                                                                                          |
| Application Verdünnung | WB (0.2 - 1 µg/ml)                                                                                                                                                           |
| Anwendungsbeschreibung | Western Blot: Suggested dilution at 1 ug/ml in 5% skim milk / PBS buffer, and HRP conjugated anti-Rabbit IgG should be diluted in 1: 50,000 - 100,000 as secondary antibody. |
